

Examinations Recognized by Izmir Bakircay University for International Student Applications for the 2025–2026 Academic Year

EXAM	STATEMENT
Scholastic Assessment Test (SAT)	Applicants must have obtained a minimum total score of 960 out of 1600 on the SAT Reasoning Test (SAT1), calculated from the "Math" and "Evidence-Based Reading and Writing" sections (referred to as "Critical Reading" in the older version of the SAT). The SAT exam, which is administered as a university entrance examination, is recognized by our university for a period of 2 years. This 2-year period begins on the date the test results are announced and remains valid as long as the results are still within the validity period at the time of the university's application deadline. The tables outlining the criteria for the acceptance of SAT1 scores are provided below.
GCE AL Exam	Only those who are citizens of the Turkish Republic of Northern Cyprus (TRNC), reside in the TRNC, and have completed their secondary education (high school) in the TRNC and possess GCE AL exam results, as well as those who enrolled in and studied at colleges or high schools in other countries between 2005 and 2010 and possess or will obtain GCE AL exam results, will have their GCE AL certificates accepted. There is no time limitation regarding the validity of the GCE AL exam. The tables outlining the criteria for the acceptance of GCE AL scores are provided below.
Türkiye Exam for International Student Admission (TR-YÖS)	The TR-YÖS Exam is a centralized examination administered by ÖSYM (Assessment, Selection and Placement Center) across designated provinces in Turkey and in selected international representative countries. The exam is scored on a scale ranging from 100 to 500. The validity period of the TR-YÖS exam is two (2) years from the date of the examination. Applications will be considered valid only if the exam results are still within the validity period as of the university's application deadline. The tables outlining the criteria for the acceptance of TR-YÖS scores are provided below.
